MULLA SAMEERA

J+91 7702602159

■mullasameera66@gmail.com

Professional Summary:

Software engineering graduate with expertise in full-stack development, AI, and data visualization. Proven track record of building AI-driven solutions and interactive web applications, reducing data analysis time by 50%. Proficient in Python, SQL, and modern web technologies, seeking to contribute to innovative projects in a dynamic engineering role.

Skills:

- Programming Languages: Python, SQL, HTML, CSS, and JavaScript.
- Frameworks and Libraries: React, Spring, Chart.js, Plotly.js, Django
- Tools and Platforms: Power BI, Tableau, Git, VSCode
- **Core Concepts:** Data Structures, OOPS, REST APIs.
- Soft Skills: Communication, Problem-Solving, Teamwork, Leadership, Analytical Thinking

Projects:

Interactive Data Visualization Web App

- Developed a responsive web app using Chart.js and Plotly.js to visualize datasets, achieving a 50% reduction in data analysis time for users.
- Integrated REST APIs for seamless external data fetching.
- Enabled real-time filtering and dynamic updates to enhance user interactivity.

Handwriting Text Recognition

- Developed a web-based application to extract handwritten text from scanned documents.
- Used HTML, CSS, and JavaScript for the front-end and Flask for the back-end.
- Integrated OCR technology to convert handwritten content into editable text.
- Displayed extracted text in a structured format using Times New Roman font for readability.
- Implemented an intuitive UI for users to upload documents and view extracted text instantly.

EXPERIENCE:

Full Stack Developer Intern

RESHAPP | JUNE 2024- FEB 2025

- Acquired hands-on experience in full-stack development by working with HTML, CSS, JavaScript, React, Spring Boot, and Flask.
- Contributed to the development and maintenance of web applications, ensuring seamless integration between frontend and backend systems.
- Collaborated with team members to design and implement user-friendly interfaces and scalable backend solutions.

EDUCATION:

Santhiram Engineering College (Affiliated to JNTUA) 2021 – 2025

Bachelor of Technology in Computer Science (Data Science)

CGPA: 7.8/10

Narayana Junior College 2019 – 2021

Intermediate (MPC)

CGPA: 9.2/10

Good Shepherd English Medium School 2018 – 2019

SSC

CGPA: 9.0/10

CERTIFICATIONS:

- Python Full Stack Developer 2024 EDU Skills <u>Certificate</u>
- The Complete DSA Course 2024 Udemy <u>Certificate</u>
- The Complete HTML Course 2025 Udemy <u>Certificate</u>
- HTML, CSS, JavaScript, React 2025 Udemy Certificate
- Deploy Web Apps on Cloud 2025 Udemy <u>Certificate</u>
